Students in schools which are upon the list of the New England Certificate Board enter the Institution without examinations, provided they present from the principal of the school a certificate recommending them for admission. Students in other schools may take the entrance examinations in June at their home school under the supervision of the principal or one of the teachers, or they may take them in June and September at the University. Applications should be made out on blanks furnished by the University. Certificates for admission should be sent to the University at as early a date as possible.

SCHEDULE OF STUDIES

Students should write for registration blanks and indicate the course in which they expect to do their work. Upon these blanks the schedule of work for the first semester should be made out as fully as possible.

Women students who do not live with relatives or members of the faculty, are required to room and board at Mt. Vernon House. The rooms in this home are supplied with the larger articles of furniture. Each girl must furnish her own bed clothing, pillow, pillow cases, sheets, and towels. The University launders the bed linen including four towels each week free of charge.

For room with board, light, heat, and the laundry mentioned above, the charge is \$85 a semester. The choice of rooms is given to those who spend seven days a week in the house.

REGISTRATION

A registration fee of \$5 must be paid by every student on registration day. Other University expenses for the semester must be covered by a money deposit or by a bond signed by two parties, one of whom must be a parent or guardian, and the other a responsible freeholder of the State of Maine.
